Our Services Include:

Homam

Homam is a sacred fire ritual performed to invoke divine energies. From Ganapathi Homam for removing obstacles to Sudarshana Homam for protection and healing, we offer various types tailored to your spiritual goals.

Special Homam

These are powerful rituals conducted for specific intentions—be it success in education, career growth, health, wealth, or spiritual elevation. We organize customized Homams based on your birth chart and requirements.

Monthly Homam

Make divine protection a monthly practice. Our monthly Homams like Maha Mrityunjaya and Navagraha Homams ensure continuous blessings and remove recurring doshas or negative energy.

Ceremonies

From naming ceremonies (Namakarana) to housewarming (Gruhapravesam) and wedding rituals, we take care of every sacred detail, blending age-old customs with modern sensibilities.

Pariharam (Remedial Rituals)

Facing challenges in life? Our Parihara Homams and Poojas are performed to mitigate the ill effects of planetary doshas, karmic imbalances, or ancestral issues (Pitru Dosha).

Poojas

Daily, weekly, or occasion-based poojas like Lakshmi Pooja, Saraswati Pooja, Satyanarayan Pooja, and more—performed at your home or temple, as per Vedic rules.

Japam

Mantra chanting (Japam) for specific deities or planets helps cleanse the aura, energize the mind, and attract positive vibrations. We offer Sankalpam-based Japams by learned priests.

Rituals

Every ritual has a purpose—from simple Sankalpas to complex Vedic Yagnas. We guide you through each step and ensure all your spiritual rituals are fulfilled meaningfully.

Astrology Solutions

Our in-house astrologers offer accurate predictions, birth chart analysis, and spiritual guidance. Get personalized advice and suggested remedies for peace and prosperity.

Kumbabhishekam

We organize and conduct **Kumbabhishekam**, the consecration ceremony of temples, with complete Vedic procedures, involving Yagasala rituals, Abhishekam, and Pranaprathishta.
